Indiana Wesleyan University is a Christ-centered academic community committed to changing the world by developing students in character, scholarship and leadership. We seek to be a premier university changing the world for Christ.

Conference Services seeks to develop student leaders through the utilization of campus resources during the summer months. Our mission is to organize people, space and technology in ways that enhance group goals and further the mission of the University.

Please do not hesitate to contact us if we can assist you in any way. We are here to serve you! You can feel free to stop by or call the Information Desk in the Student Center (located near the Piazza) or our office (located on the second floor of the Student Center just above the Information Desk).
